Our most honorable and most gracious founder, Viola Tyler Goings, was known for saying “There is a Zeta in a girl regardless of race, creed, or color, who has high standards and principles, a good scholarly average and an active interest in all things that she undertakes to accomplish.” Zeta Phi Beta Sorority, Inc. has four principles scholarship, service, sisterhood, and Finer Womanhood. Please prepare an essay on at least two of our principles, what they mean to you, and why you feel like exemplifying those two principles can lead to success.
